

PLAYER DIRECTORY

10sPortal has a Directory feature that lists all the players at your facility. You can search the directory for contact information, or send an email to certain players based on search criteria.

SEARCHING FOR PLAYERS

Click on 'Directory' from the main menu.

On the Player Directory form, you may enter the desired values to narrow your search for players such as NTRP rating, gender, age, etc. When satisfied, click 'search'.

Your search results are displayed.

CONTACTING OTHER PLAYERS

Once you have performed a player search with your desired filters, you have several options available to review players within your search. Some players may have contact information visible showing a phone and email.

- Click on the visibility to allow them to see your contact information.

- Click on the envelope to send them a message
- Click on the star to add them to your favorites
- Click on the photo silhouette to see their profile
