BACKBOARD

The backboard is an innovative tool that lets you connect with other players at the club and the greater tennis community. Simply set the date, time and desired player information and the site will notify all players that meet the criteria. You can limit your post to club members only or send notices to the entire tennis community.

POSTING A BACKBOARD MATCH

Go to the Backboard section of the site.

GROUPS

Groups are a great way for you to communicate with friends in and outside the club. Managing your tennis team has never been easier. You can post match and practice schedules, send email notification, upload photos. Players can even RSVP to match taking the guesswork out of filling your lines. To get started with your own group, go to the Groups section and click Create a New Group button.
